### Old Business

Date	Issue	Response	Results
3/1/17	Student conducted a survey to see what fruits are desired at Eickhoff. The most popular results are strawberries, grapes, mangoes, and pineapple. Grab and go fruits are also helpful and desired.	Thank you for your feedback and suggestion.	At this time, we are able to include pineapples into our rotation. We are looking into the possibility of grapes. Additionally, strawberry, pineapple, and watermelon grab n' go cups are available at retail locations.
3/1/17	Student liked the cheese options at Roscoe's during the Biodiversity theme meal (Feb 28) and would like to see the cheeses be offered for mac and cheese.	Thank you for your feedback and suggestion.	We can add chevre (goat cheese) to our mac n cheese rotation. We can also include this for the 4 cheese mac n cheese at our carnival theme meal.
3/1/17	Student would like to see plain Greek yogurt be offered at Eickhoff, especially for breakfast at Bamboo Gardens.	Thank you for your feedback and suggestion.	We can add Greek yogurt to our rotation and feature two yogurts at a time: Greek, vanilla, and strawberry.

<b>3/1/17</b>	<b>Student would like to see pesto offered more often at Pasta station.</b>	<b>Thank you for your feedback and suggestion.</b>	<b>We have begun including pesto at Pasta station 2-3 times a week.</b>
<b>3/1/17</b>	<b>Due to growing lactose intolerance population, student would like to see dairy-free and/or vegan options at Bliss Bakery in regards to baked goods – mentioned the vegan muffins from the Library Café.</b>	<b>Thank you for your feedback and suggestion.</b>	<b>Our executive chef and management are still looking into vegan options.</b>
