

Other Special Dietary Needs

The College of New Jersey looks forward to working with you to address your culinary concerns. We can speak with anyone who follows a specific type of diet for religious reasons, or out of a health or medical necessity, such as:

Irritable Bowel Syndrome
Gastrointestinal Diseases
Food Allergies

We highly recommend you make an appointment with our Registered Dietitian at sdhrd@tcnj.edu, or our General Manager, Patrice Mendes, at mendesp@tcnj.edu. They are available to assist students and help them safely navigate dining services across campus.

Dining Services prides itself on keeping an open line of communication with our customers to optimize nutrition and discuss dietary concerns. Students, faculty & staff can join us at our bi-weekly Dining Services Committee meetings. Our meeting dates, times & locations are listed at tcnj.sodexomyway.com/community/committee.html. Any student having questions about the foods served should contact our Registered Dietitian via email at sdhrd@tcnj.edu or Patrice Mendes at mendesp@tcnj.edu.
