

DAIRY - FREE

WHAT CHOICES ARE THERE FOR YOU?

FOOD COURT AT REBER-THOMAS

1. Dairy-free shredded mozzarella at Wellness Zone (contains soy). We have a panini press located in this section as well for vegan, dairy-free grilled sandwiches.
2. Unsweetened almond milk and sweetened soy milk are offered as a beverage choice.
3. There are many other stations or dishes in the Food Court that are dairy-free. Please see the digital menu boards or food identifiers at each station for more information. These menus will state the recipe title, nutritional breakdown, & list any of the top 8 allergens, including dairy.
4. Our Simple Servings station serves food without any dairy. Please see the menu boards above the station for more information.

RETAIL:

1. Dairy alternative milk choices are available at Natural!, Dunkin', Starbucks, and Argo Tea.
2. Other retail locations also serve meals that are dairy-free. Please just ask your server for more information.

All food supervisors, chefs, and managers on this campus have some formal training on identifying food allergens and how to avoid cross contact.

***This list is subject to change during the course of the school year. For the most accurate information, please speak with our dietitian.**
