3/9/16	Is it possible to serve breakfast until 12pm on Wednesdays?	We will look into this matter further; the omelet station is always available.	Keeping breakfast open until 12 on Wednesdays would require us to change the registers to reflect a breakfast price during that time. We will continue to look into this but we cannot change the time of breakfast at this time.

3/9/16	Can we have more fruit options or add more options? Is there a way to have a menu or list the healthy options for the day?	We will keep this on the agenda for future weeks. We will look into incorporating more seasonal fruit as the seasons change.	At this time we will be keeping the pineapple and watermelon and Bliss Bakery and cantaloupe & melons at the salad bar. We will look to add different fruit as the seasons change.

3/9/16	Will it be possible to donate meal point or items purchased with meal points at the end of the semester?	We will look into what we have done in previous years to have students donate points.	We will look into "Cram a Cruiser" where students buy items and donate them to fill a police cruiser. We will provide updates on this closer to the end of the semester.

3/10/16	We need the ability to have whey protein in here for a post-workout recovery.	We will look into adding this in Eickhoff or the C-Store; our initial concerns are storage and cost. Whey protein is naturally found in milk, which is available.	Work-in progress
