

UMW Foodies get timely text messages when there are free food samplings, special or limited time offers, or if there are changes to dining hours or operations due to weather or other emergencies.

We promise not to overload your phone with lots of junk messages! You'll only hear from us once or twice a week, and with information that has real value to you!

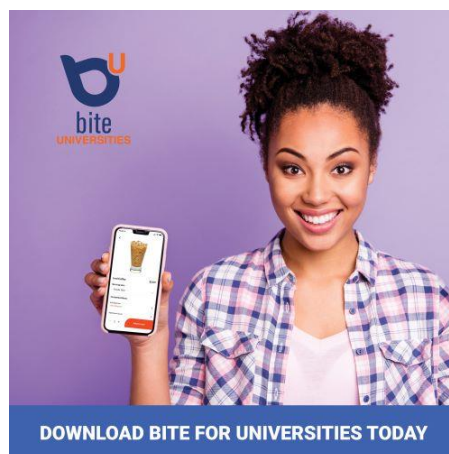

To Become a Foodie: Text UMWFoodies to 82257

New! Bite for Universities App!

The new and improved bite app lets you see the menus and nutritional information for dishes served at the Top of the UC, Bodacious Burgers, and the Simply to Go Market at the Nest!

Coming soon! When COVID-19 conditions allow, you'll be able to make table reservations for meals at the Top of the UC using the Bite for Universities app!

To get the app: search bite by Sodexo-Universities

Eagle Meals to Go!

Hot & Ready to Eat

Rotisserie Chickens
Mashed Potato Bowls & More!

or

Refrigerated Meals to Take Home, Heat & Eat!

Monday-Friday In the Eagle's Nest Market

Now you can use Grubhub to pre-order meals from Katora Café, Bodacious Burgers, Vocelli Pizza, Panera Bread, Hissho Sushi and the Top of the UC!

No more standing in line to place an order! Each restaurant has an express Grubhub pick-up station!
