- Renaming Zebi:

- More options from Student Government?

- Currently on the table:

- Fit Cubs – SG does not care for this one, sounds like a gym
- Fresh Pride – add the word café to this one so everyone knows it serves food.

- Other suggestions were Mindful café, Fit Café, Fresh Café, Café Fresh Pride
 - SG will bring these suggestions to their meeting & will get back to us.
- DSC Staff Member of the Week/Month
 - Keep an eye out for stellar service from our staff members and have nominations for next meeting.
 - Sushi team from the food court is great!
 - “Kathy Bradley from the STUD made my day by complimenting my outfit.”
- Comments from students
 - Can we please stop playing the same five songs over and over again?
 - *We will be better about rotating the stations that are played, however we cannot control what each station is playing.*
 - Why is the music so loud in Eickhoff sometimes? It's obnoxious.
 - *We will also be better at monitoring the volume and making sure it is kept at a reasonable level.*
 - Please shut off the lights in Eickhoff at night! Save money on electric and I will sleep better.
 - *We've spoken with our cleaners at night and told them to be sure they are shut off when they leave.*
 - I have come to notice that the vegetables at the salad bar like spinach and tomatoes are not washed before they are served. Vegetables like spinach have so much pesticides in them but I couldn't believe that they're not properly washed!
 - *All veggies that come in are thoroughly washed by our produce vendor, so there should not be a concern about pesticide residue.*
 - The small, black light all the way on the end by pizza booths always blinks on and off. I'm not sure if there's a way to fix this, but if there is it'd be greatly appreciated.
 - Arthur at the omelet station was fantastic! Flawless! Best omelets ever!
 - I am requesting a new ice cream machine. Most of the time I try to get ice cream it does not work.
- Open Forum
 - Chopped eggs from the salad bar were frozen.

- *We will check the refrigerator and move them to the front of the unit.*
- There was a fly found in the salad mix – the student understood that these things happen, she's even found them in lettuce from the store.
- Some students have concerns about the number of registers open in Eickhoff at 9:30am and 6pm. Eickhoff is busy and we should have more.
 - *We will take a deeper look and make sure that the lines are moving.*
- Several complaints about the employees attitude from TLC
 - *Having names helps us narrow it down. It is difficult to address an entire group for the actions of one or two people.*
- Deli – there needs to be a vegetarian option every day.
- Veggie Loop – change it up to not just have pasta, maybe add tofu.
