### Old Business

<b>Date</b>	<b>Issue</b>	<b>Response</b>	<b>Results</b>
<b>10/26/16</b>	Will it be possible to get a pesto mayo for Traditions?	We will work on seeing if we can bring back pesto mayo to our Traditions menu.	Looked into seeing if brand has pesto mayo options for OBC Grill or SubConnection and we did check and there are no other options.
<b>10/26/16</b>	Can we bring back Personal Pan Pizza at Food Court, or have a grab and go option	Because of how the ovens work, we cannot bring back personal pan pizza. Working on if there is a solution to a grab and go option.	Unable to provide Personal Pan Pizzas at this time. We have pizza slices available instead and will look into grab and go options.
<b>10/26/16</b>	Worker at the Lion's Den OBC Grill is not nice and students are waiting in line for a long time and the order is often not right.	We will speak to workers about their attitudes. We will be adding an extra line to cut down on the wait time.	Shared concern with Food Court management, will identify opportunities to improve customer service.
<b>10/26/16</b>	Can you bring back the salad bar to Lion's Den? Students like the idea of choosing what they want on their salads. We know that Fresh Pride has salads but they are packaged and don't give us options.	We will see if this is a possibility to add to Lion's Den Food Court.	At this time, we cannot provide a salad bar at the Lion's Den. We will look into grab and go options.
<b>10/26/16</b>	Can we have Meal Equivalency for the salad bar?	First we have to see if we can add a salad bar. Then we will work on if we can give Meal Equivalency options	
<b>10/26/16</b>	Can we bring back chicken fingers at the Lion's Den. Branding is restrictive.	This will not be possible because we are branded we cannot sell certain foods	Unable to provide chicken fingers at. Chicken fingers available at Traditions.

<b>10/26/16</b>	We thought the Food Court would be more of a grab and go situation but instead it's more of a restaurant feel where we have to wait on our food.	There are grab and go options at the Food Court, we will see about adding more options.	There are Simply To Go options in the grab and go cases. We have great options such as sandwiches, salads, and wraps.
<b>10/26/16</b>	There aren't many places to eat at on the weekends that are open before 10am	Traditions is open at 9am.	Shared concern with dining directors and upper management.
<b>10/26/16</b>	Can we have grab and go breakfast options at Traditions	Lauren Konate will look into seeing about adding options	Traditions management is looking into this option.
<b>10/16/16</b>	Orders not correct most of the time at Lion's Den, recommend doing an auto ordering system that way it will cut down on some of the mistakes	We will look into this.	We will not be adding automotive ordering systems and we have addressed the orders with the staff to make sure the orders are correct.
<b>10/26/16</b>	Wok at Eickhoff appears to be closed because no food has been displayed there.	The Wok has been open, it could have been in the process transporting food back out.	When you see a station that is supposed to be open and there is no food there, please grab the nearest manager and let them know.
<b>10/26/16</b>	There are reports of rice being burnt at stations.	We had a problem with the humidity being too low and temperature was too high.	This issue has been corrected and resolved.

**\*Next DSC Meeting November 9 at 2pm in Social Sciences Building Room # 230**
