 - It would be awesome if you could work on getting meal equiv at the café in the student center. Everyone is asking especially now since it's new.
 - Response:

- I really like cheesecake. Like really. And I would really appreciate you having a secret stash of cheesecake at the ready for when I come to Eickhoff. Like really. Thanks so much for your time and consideration.
- Open Forum
 - Worker at the Wok steamed my vegetables for me which I loved! Excellent!
 - Can we get peeled cucumbers in the sushi at the lion's den?
 - *We are going to look into this and see if this is an option.*
 - Student Government
 - We noticed there are smaller ladles for the tomato sauce. Thank you so much for noticing!
 - Shortage of knives in Eickhoff.
 - *Brian is going to look into this.*
 - There are not a lot of options on Sundays in Eickhoff. Can you please change this?
 - *Brian is going to look into this.*
 - There seems to be a 3:20 rush in Eickhoff and Quimby's is closed during this time. Can you put a sign up saying that it will be closed so students are discouraged when they get there?
 - We have the hours of operation on the bottom of the sign but we will try to make these more prominent.
 - The deli meat is cut too thick lately.
 - *We will talk to our staff about this change.*
 - Sometimes there is a crowd in front of the grill of people waiting for something special. In the meantime there are items on the line that are just sitting there. Could we move those people to the side so the people who want the stuff sitting there can go grab it?
 - *We are going to look into an option here so this doesn't happen anymore.*
 - At the rotisserie can we have gravy on the side?
 - *We will talk to our chef about this. It might be hard because we don't have a place to keep it warm. We are hoping that he can come up with a solution.*
 - Hot chocolate has been amazing lately on these cold days.

- Good food this past week.
- Sushi in the food court is excellent.
- Can we please have more chocolate chip and macadamia nut cookies?
- Tomato Basil Bisque is awesome!
- There has been a lack of bread to make toast lately.
 - *We will talk to our production manager about this to make sure that enough is being ordered.*
- Can we please have gluten free fried rice?
- The buffalo sliders in the Food Court were too expensive. Can we come up with a better price for 2 sliders?
 - *Meghann is going to look into this to see what can be done.*
- The hummus in the food court is mislabeled.
 - *Meghann was going to contact our Sabra representative to inform them of the labeling issue.*
- The sandwiches at the food court haven't been getting stickers which cause the staff to guess what it is and they often charge you for something more expensive.
 - *Eric and Meghann are going to make sure this does not happen anymore.*
- The cereal cups at the food court are mislabeled in terms of price.
 - *Cait looked into this and the price is right on the board but in the system some prices were incorrect. This has been fixed.*
- Can we please have more teriyaki sauce at the Wok?
