- Mindful Mile: Every Monday

- Join Aliz Holzman, TCNJ Dining's Registered Dietitian, for a mile walk around campus. While you get in some stress-relieving and energy-boosting exercise, you can ask Aliz questions about healthy eating. Take a selfie with Aliz and post it to Instagram with "#mindfultcnj" to be entered into a monthly contest for cool prizes!

- Continuous - Stop Hunger Food Drive

- Donate nonperishable items in the Atrium at Eickhoff (Larry's Side) during this time. All proceeds will go to Mercer Street Friends Food Bank in Trenton, NJ.

- Tuesday, November 18th – Eat Right at Eick with Aliz – 11a – 2pm

- Wednesday, November 19th – Key to Success Lunch Presented by the School of Business - 11:30 am -2 pm – The Atrium at Eickhoff

- Note the change in date for this event (previous 11/12).
- We're working with the School of Business to plan this great event that will features foods of the countries that are home to the busiest stock exchanges in the world.

- Wednesday, November 19th – 2pm – Brower Student Center Room 206 - Dining Services Committee Meeting

- Renaming Zebi:

- Our new name it Fresh Pride Café – We've submitted a request for logo designs and will present them to the committee once we have them.

- Updates from last meeting:

- Volume and channel selection on the radio seems to have been remedied.

- Vegetarian Selections

- We've added hummus to the deli as a daily option, and will adjust what we are using as our roasted veggies selection. Are students interested in the vegan deli salads? What other options could we offer, as these have gone to waste before.

- We are in the process of revising our Tuesday & Saturday non-pasta selections at Veggie Loop to add more interesting items.
- DSC Staff Member of the Week/Month
 - Any nominations?
- Comments from students
 - The amount of garlic added at Veggie Loop is way too much.
 - *We've spoken with the staff here and hope that it has gotten better.*
 - Please have two burrito workers at Roscoes at all times. With one person it takes much too long.
 - *Two people are scheduled at all times, however one may be back in the kitchen getting supplies. We'll keep an eye on it to make sure it is not during peak times.*
 - The grilled chicken is always burnt and hard.
 - Can Alasha come back to the deli at Eickhoff? She made the best sandwiches!
 - *Alasha no longer works for us.*
 - I sometimes see mozzarella in the deli case but am told I can't have it, why?
 - *It has been removed, we have it in house for specials and it should not have been on display.*
 - Please change the workers at the grill (especially during the busy hours of dinner). Food is sitting on the counter for 20 minutes untouched when people could be eating it. The man who was working on 11/3 at 6:45 – 1:10 is too slow to keep up with the busy demand.
 - First off, let me say that Eve is great and big Larry is a living Legend. However, I am upset that the omelet bar only has two meats now. I know you have a budget and want to save money, but that's not right. For breakfast only omelet bar and Quimby's Kitchen is open, can't you make slight cuts somewhere else?
- Open Forum
 - Free healthy snacks will be available the first Monday of every month from now on. We hope you enjoyed the pumpkin seeds and dried cranberries we had out already!
 - Wok signage is not correct.

- This is being addressed and should be fixed by the time you return from the break.
- We will be getting Kosher food in. Karen and Patrice are going to Kosher Fest to get new ideas.
- Amit suggested setting a standard for the music to be played in Eickhoff. He will be creating a survey to find out what students like.
- TDubs Update – We will finally be opening TDubs in January 2015 after staff training in December 2014. Lauren will try to set up a tour before the end of the semester.
