  - The caffeine free diet Pepsi tap on the soda fountain nearest the dish return has been empty since Fall 2013. Is it ever going to be refilled? If not or if it's not broken can you at least put an out of order sign there? That was one of the only two taps in Eickhoff that dispensed caffeine free diet soda. I know that's a specific niche, but it's one I made use of a lot.
  - The California rolls were really good, as usual. I don't know if it's Shamira's magic touch or just Eickhoff in general but she's always super nice and always has a smile on, so I'm going to say it's the former. Thanks for having roasted sweet potatoes; they're such a simple healthy option! I also really liked the cinnamon rolls today. Usually they have too much syrup on them and are not fully cooked and these were perfect with just a little glaze. Delicious!
  - Would it be possible to throw some crunchy peanut butter into the rotation? Also, Eve is the Woman!
    - Response: We are going to see if we can get it from our supplier. If we can, we will put it out in a smaller bowl at the stations.
  - I noticed that the additional tea bags like Earl Grey, Jasmine Green, have been absent for a while now. As an avid tea drinker, I would love to see their return as soon as possible. I thank you in advance.
    - Response: At this current time we are trying to find a way to put the tea bags out in the dining hall without them walking away. Once we find a way to do this they will be back at the station. In the meantime, the C-store does sell flavored teas.
  - Make breakfast last longer on Snow Days!
  - My friends and I have spent our last few meals praising Eickhoff dining hall. You all do a great job providing us with a great deal of options and variety. It is wonderful. Also, theme nights are the best! More importantly, I'd like to commemorate the staff. Everyone is almost always friendly and willing to strike up a conversation while you wait for your burrito. Finally Eve is the best! I feel as if she really cares and I always smile when she greets me.

    - Rat closing at 8pm but turns students away at 7:50 from ordering to-go.
      - We are going to be looking into this situation.
    - Sushi is great at the Lion's Den.
    - Tomato Basil Bisque is so good. Can we please get it more often?
    - Iced tea is out in Eickhoff by the 1855 room.
    - For finals week, can we please keep the Library Café open 24 hours?
      - During finals week we do extend our hours for the Library Café. When the café is not open we do have free coffee bars set up for students to enjoy.
