Driver’s License, State/Government issued picture I.D., or Passports are accepted forms of identification.

The information contained in the card system, including your Eagle Access Card photo, can be used by the University of Southern Indiana for internal University business purposes as deemed appropriate and approved by the Vice President of Student Affairs for students and approved by the Faculty Senate for employees.

To make use of the declining balance feature of your Eagle Access Card, you may deposit money into one of the accounts:

**Munch Money Declining Balance Account:** Money deposited into this account may be used to make purchases at any Dining Services location on campus which is connected to the Eagle Access Card system. These funds expire at the end of every Spring Semester.

Once funds have been deposited into your account, they may only be withdrawn by way of purchases. You may not withdraw cash prior to your graduation or withdrawal from the University.

If you have money in your Eagle Access Card Flex account at the end of the academic term, it will be carried over into the upcoming academic term’s balance. **You may request a refund of any balance remaining in your account when you graduate or withdraw from the University. Munch Money is non-refundable and expires at the end of every Spring Term.**

The Eagle Access Card is the property of the University of Southern Indiana and shall be returned at its request. A valid card must be carried at all times and presented to campus authorities upon request.
