UVM DINING

With fall foliage in full swing, here are some dining updates that may “peak” your interest!

SAFETY REMINDERS:

- Wear your mask at all times unless eating.
- Respect posted table limits.
- Keep tables and chairs in place.
- Follow 6-foot physical distancing guidelines.
- No lingering after you have finished dining.

WE HEARD YOU:

- **2-hour delay:** For increased flexibility, we have eliminated the 2-hour delay for breakfast and lunch, Monday - Friday; you can now use up to two meal swipes for either dine-in or mobile ordering during these times. Click to view [meal start times](#) for each dining hall.
 - One dining hall Bite U order is an entrée, two sides plus a snack and piece of fruit, available at pick up. If you would like a second entrée and two additional sides, you will need to place a second, separate order.
- **Meal Exchange** allows one Unlimited Meal swipe to be redeemed for one entrée, one side, and one beverage at The Davis Center Marketplace and University Marché available Monday – Thursday from 4:30P – 7:30P.

DINING LOCATION CHANGES:

- **Campus Perk:** coffee and tea orders can be placed through Bite U or in-person.
- **The Green Roof Deli:** is now located within The Davis Center Marketplace serving up the delicious sandwiches plus hot options and hand-cut fries! Orders can be placed through the Bite U app or in-person.
 - **The Marketplace Hours (new):** Monday – Thursday 9:30A – 3:30P and 4:30P – 7:30P (Meal Exchange)
 - Friday 9:30A – 2:30P
- **Waterman Café** is closed for the rest of the semester, but is available as a study space.

ECOWARE UPDATE:

- **EcoWare** drop-off bins are now available in designated residential hall lobbies and tents. Don't forget to return your EcoWare containers to keep the program running.

MORE INFO:

- Visit '[Dining Experience 2020](#)' for all our dining changes, check back often for updates.
- Additional Retail Points can be added on UVMdining.com '[Shop.](#)'
- [Dining hours](#) can be viewed at UVMdining.com
- Track your balance through [Webcard Center](#), 'Bite U' or at one of our cash registers.
- Provide [feedback](#).

Keep it up, Catamounts; you're doing great!
