

# FEEL GOOD, FEED YOUR GOOD...

## ONE MEAL AT A TIME

**MINDFUL** In order to help our students make healthier selections, we have introduced Mindful by Sodexo to our daily offerings. Menu items focus on ingredients, delicious food, and satisfying portions so that a healthier lifestyle becomes an easy choice.

**ELITE EVENTS** Dining halls are great, but they don't provide that going-out-to-eat feeling you get from restaurants, or do they? Elite Events are pop-up restaurants that transform our dining locations into the authentic, high-end dining experiences that students are eager to try. New themes and menus are constantly being created for our student foodies to enjoy.

**NATIONAL LIMITED TIME OFFERS** We have the menu regulars nailed. So, how do we take our offerings to the next level? We bring in special Limited Time Offers to add variety to the menu. These Limited Time Offers highlight our culinary talent as well as our ability to offer new and exciting dishes on a regular basis.
