

Dear Lansing School District Families,

We want to share our curbside meal pick up schedule slated to continue through November 6, 2020, the duration of our screen to screen learning plan. Our goal is to ensure all Lansing School District students have continued access to free meals. In order to achieve our goal we have made the following plans in conjunction with our district administration, local health authorities and federal guidelines effective September 8, 2020.

MEAL PICK UP SITES

- Meals can be picked up by any adult or student.
- Meals can be picked up at any site. You do not need to be enrolled at the school where you choose to pick up meals.
- If you have students in several schools you may pick up all meals at one location.
- Meals will continue to be provided free under the USDA Federal program.
- Menus will continue to be posted on the school district website.

We are dedicated to serving your students the safest, tastiest and most nutritious meals possible. This school year is a new situation for all of us. Changes to our meal service may happen with little warning, but we will do our best to keep families informed about changes in a timely manner.

Thank you for supporting our School Nutrition Program.
