Are you a remote learner,

Do you do remote learning every other day?

We also have **FREE** Breakfast and Lunch available for **Curbside Pickup!**

The **Curbside Pickup** is in front of

Deer Park Middle School,

Daily from 12-12:30

Important

***Even though everyone qualifies for FREE meals, we still need you to fill out your Free and Reduced application. This is very important to our school funding! It will be important after December 31st as well, if the USDA does not continue the Free meals for everyone. If you qualify for Free or Reduced meals, you will need to have a current application on file to receive them after December 31st.
