EAT THIS!
• Organic Oatmeal
• Tofu Scramble
• Tofu Scramble Burrito with Avocado
• Vegan Black Bean Burger
• Lemon Garlic Green Beans
• Grilled Corn on the Cob
• Fresh Fruit Cup or Whole Fruit
• Farro Salad with Garden Vegetables

HEALTHY TIPS
Don’t let the name fool you—Farm House has some tasty vegan options. Start your day with Organic Oatmeal or the delicious Tofu Scramble Burrito with Avocado to stay full and keep up your energy. For lunch and dinner, the house-made Black Bean Burger is a great source of both protein and fiber to keep you at your best. Be sure to include a helping of vegetables to round out your meal.

Olive
EAT THIS!
• Marinated Olive Salad
• Tuscan White Bean Salad
• Tabbouleh
• Roasted Vegetable Sandwich on Ciabatta
• Fire Roasted Vegetables
• Whole Seasonal Fruit

HEALTHY TIPS
When you’re looking for delicious flavors and craving Italian food, be sure to choose Olive. The Roasted Vegetable Sandwich on Ciabatta provides a fantastic combination of flavors that will hit the spot. The marinated vegetables make an excellent, flavor-packed side item. Ask about our vegan pizzas made with vegan cheese!
Spice Trail

EAT THIS!
- Tofu & Vegetable Stir Fry
- Jasmine Rice
- Curried Cauliflower
- Curried Indian Lentil Dal
- Wok Charred Brussel Sprouts
- Ginger Glazed Carrots
- Chana Masala
- Seasonal Vegetables
- Vegetable Fried Rice
- Whole Seasonal Fruit

HEALTHY TIPS
Spice Trail is a great one-stop shop for all of your nutritional needs. You can enjoy the Tofu and Vegetable Stir Fry, or mix it up a little with the sides. Try the Jasmine Rice with the Green Beans with Pineapples, Peppers & Onions and Seasonal Vegetables on it. The savory flavors will satisfy every taste bud.

EAT THIS!
- Try any drink with Almond, Coconut, or Soy milk
- Classic Oatmeal
- Hearty Blueberry Oatmeal
- 8-Grain Roll
- Cinnamon Raisin Bagel
- Sprouted Grain Vegan Bagel
- Cauliflower Tabbouleh Side Salad
- Lentils, Vegies and Brown Rice Protein Bowl
- Avocado Spread
- Vegan Superberry Acai
- Justin's Classic Almond Butter
- Seasonal Fruit Blend

HEALTHY TIPS
Starbucks offers a variety of plant-based milk alternatives so that those following a vegan diet can still get their caffeine fix (although we do still prefer that you get adequate sleep). Customers can try almond, coconut or soy milks as a substitute in any drink. For a more substantial choice, the bagels and oatmeal can be a part of a great breakfast, especially with nut butters and fruit. The salads and protein bowls also provide a convenient and balanced meal on-the-go.
EAT THIS!
