Proudly Serving Starbucks in the IRIC Building

Want Starbucks coffee? The IRIC building has a brand new convenient coffee machine serving everything from drip coffee to lattes. The coffee machine is available for anyone to use at anytime they are in the building.

Digital Ordering Through Tapingo

If you haven't heard of Tapingo, now is the time to jump on your app store and download it (it's free) to see all it has to offer! Tapingo offers the availability to order and pay for food through the app, and then pick it up at any dining location on campus. The best thing is that your food will be ready when you arrive and you can skip the line!
