Just show your Faculty & Staff ID at the register to get your exclusive deal!

Specials for “UMWTeam” Members!

Every week we’ll offer a “pop-up” special limited time offer just for faculty and staff! You might get a free cookie with your meal, special discount on featured items, or free samples. These awesome events will be announced to our **UMWTeam** text message group. We only send out 1 or 2 texts a week (unless we need to make emergency announcements about dining operational changes), and we don’t share your info with any other groups or companies. To join, text keyword **UMWTeam** (with no spaces) to 82257. You may also want to join “**UCNow**”, through which you get alerts when the Top of the UC is at capacity, and again when space becomes available. Text keyword “**UCNow**” to 82257 if you wish to join this group.

BiteU!

Don’t forget about this free smartphone app that enables you to view the Top of the UC menus with full nutritional information! There are many additional features in BiteU that we don’t yet offer, but they’ll be coming on line next fall! To get the app just click this link! [BiteU](#)

Welcome Back Special!
\$2 off Grubhub Orders, February 1 & 2
Use promo code: SPRING

ORDERING TIPS

You can use Campus Grubhub to order food from every University Dining location AND you can use your EagleOne accounts or credit cards to buy meals. Problems with using faculty and staff EagleOne accounts for payment have been fixed! Choose "Faculty & Staff EagleOne"

- **To Access UMW Grubhub:** Sign into your Grubhub account, or download the app and create an account. Go to the gear icon and select "Campus Dining". Choose UMW and then enter your method of payment information: credit or EagleOne. Now you're ready to place an order!
- **Placing Orders:** If you don't have a campus meal plan, choose the regular menu offered at each location. The "meal plan", "Meal Deal", or "Single Swipe" menus are only for those with meal plans. Orders from retail dining shoppes are received and prepared in "real time". You'll get text messages letting you know the status of your order and when it will be ready to pick up.
- **Placing Orders at the Top of the UC:** Last fall these orders had to be placed the day before you wanted to do the pick up. That has changed! Now you can place lunch orders up until 8 am and dinner orders up until 2pm on the day you plan to pick up your Top of the UC meal. *You will not get text messages giving you the status of your order. Your order will be ready at the exact pick-up time you selected. You might get a prompt saying your order will be ready in 3 minutes. Disregard that prompt! It is something Grubhub is unable to remove from their system.*
- **Order Pick-Ups:** Every retail dining shoppe has an express Grubhub pick-up line. Just go to that line, give them your name, grab your food and go! For Top of the UC orders simply come to the first floor of the UC and follow the signs to the Grubhub pick-up window in the Chandler Ballroom, where a host will give you your meal.

**Always check your order before leaving and let the server know if anything isn't right or if anything is missing so they can fix it for you!*

BYOB (BRING YOUR OWN BAG!)

Say "no" to a plastic bag! You can bring your own reusable tote to pick up orders from the Top of the UC! The take-out boxes fit much more securely in a reusable tote, and you'll help us be more sustainable!
