BEGINNING APRIL 1

BAGGED MEAL SERVICE

Cort @ Lower UC will cease hot meal service following dinner on March 31. We will transition to offering bagged meals available for pick up.

Please check your email for important information and ordering instructions.

Thank you for understanding.
UPDATE REGARDING CATERED EVENTS

To be compliant with the University's dining guidelines during the current situation, all catered events for 25 people or more have been canceled until further notice.

Any non-essential gatherings of 25 people or less are strongly discouraged. Please consider postponing or hosting remotely.

We look forward to resuming normal operations with our Lehigh community.
We take our job of keeping you safe very seriously. To be extra precautious, we are taking the following actions:

- Only offering take out options
- All self-service stations, including beverages, are being served by a member of our staff
- Changing utensils every 30 minutes
- Cleaning and sanitizing all sneeze guards between each meal period
- Cleaning and sanitizing all tables and chairs
- Maintaining proper handwashing and glove usage
- Increased availability of hand sanitizer for our guests
- Pausing the use of re-usable Green to Go containers and re-usable drinkware
- Encouraging customers to practice social distancing
