We believe that food brings people together. Our team works hard every day and is committed to providing the Lehigh community with an extraordinary dining experience that is consistently fresh, delicious and nutritious throughout our on-campus dining locations. Lehigh is happy to offer a wide variety of cuisines and options.

Our dining program prides itself on being forward thinking, innovative and dynamic. Our professional chefs develop menus that include vegan and vegetarian options and cater to those with special dietary needs. We also feature our own on-campus bakery that offers made-from-scratch brownies, cakes, cookies, pies, tarts and other delicious, freshly made bakery treats.

Welcome
Local, Sustainable.

We purchase locally whenever possible for the freshest ingredients in our recipes. We source 100% sustainable seafood, eggs from cage-free chickens, ethically and responsibly sourced coffee, and fresh milk from local dairy farms.
Let’s Have Some Fun

At Lehigh Dining, food is the foundation for fun. Join us for weekly and monthly special events and promotions, like Foodie Fridays, national food days, themed meals, chef competitions, classic holiday feasts and more!
Mindful Update

We are committed to creating healthy environments for our guests. Central to this effort is providing healthy, nutritious foods. We've listened to our customers. We've researched marketplace trends. Our executive chefs and registered dietitians work together to create an exciting collection of recipes. The result is Mindful - an approach that focuses on transparency of ingredients, delicious food, satisfying portions and clarity in message so that making Mindful choices becomes second nature.

MEAL PLAN

Meal plans can be used at any of our dining locations. Students can access their meal plan using their Lehigh University ID card. A meal plan has three components (Meal Swipes, Dining Dollars and Meal Credits) that allow for maximum value and opportunity to enjoy all that Lehigh Dining has to offer.

Meal Swipes

Meal swipes are used at our all-you-care-to-eat student restaurants: Rathbone & Brodhead. One meal swipe per meal period allows students to dine in or request an ecoContainer for a meal to go.

Dining Dollars

This declining balance account can be used exclusively at all Lehigh University Dining locations. Dining Dollars are non-refundable and carry over from Fall semester to Spring semester.

Meal Credits

A meal credit is cash value applied to food purchases at retail locations on campus. In exchange for a meal swipe, students receive credit toward the total cost of a retail purchase.
