DINING SERVICES

Dining plan selections are processed through the Office of Housing & Residential Life. Please contact them with any questions at 845-575-3307. If you have a question about the meal plans offered, please call Housing at 845-575-3307 or your Dining Services at (845) 575-5100. Resident and commuter students enrolled in a dining plan can make any necessary changes [here](#).

Dining plan swipes can be used for breakfast, lunch, dinner, late-night dining or weekend brunch during hours of operation in the Dining Hall. For all dining plans, students may add dollars to their Thrifty Cash at any time by contacting Marist Financial Services. Note: Any meal swipes remaining in an account on any Dining Plan DO NOT transfer from the fall to spring semester.

Participation Opportunities

Campus residence assignments and class level determine which dining plan options are available to you. Commuters and off-campus students have the ability to select any dining plan, and the new plans we offer are especially commuter friendly.

Freshmen

All resident freshmen are required to participate in the Anytime Dining Plan.

Upper-Class Students

Returning students (sophomores, juniors, and seniors) residing in college housing are assigned to a campus dining plan based on their residence location.

Residents of Mid-Rise and Marian Halls are required to participate in the Anytime Dining Plan.

All sophomores residing in college apartment housing facilities are required to enroll in a dining plan. If no plan is selected, then the sophomore student residing in this housing apartment facility will be pre-enrolled in the Apartment 15 Meals Plus \$150 Thrifty Cash for the semester and must remain at a minimum in this plan.

Commuters, off-campus students, and residents of North End Housing, Upper and Lower West Cedar, Foy Townhouses, and Fulton Townhouses may select any Dining Plan.

Many upper-class students have made the decision to remain on a dining plan while living on campus because of the value, flexibility, and convenience.

Any student, faculty or staff member on a dining plan requiring accommodation for a medical or dietary concern should contact the General Manager of Marist Dining, Colene Doughty at Colene.Doughty@sodexo.com.

Guests without a dining plan can pay door cash price for admission to the Dining Hall. Forms of payment accepted across all dining locations include Cash, Credit, Debit, Marist Money and Thrifty Cash.
