

April 16, 2021

Dear Lansing School District Families,

We are excited to announce that starting April 12, 2021 we will be offering families the option of picking up either Daily or Weekly meal packs in alignment with Lansing School District's move to a hybrid learning model. Some of our sites will continue to provide daily meal pack pickup and some of our sites will change to offering weekly meal pack pickups (7 day).

All you need to do to determine whether daily or weekly meal packs work best for your family, then refer to our site listing to determine where you can pick up the meal pack you prefer.

Our most important goal with this change is to ensure all Lansing School District students have continued access to free meals. We will continue this model of pick up until June 11, 2021.

The following program details are not changing:

- Meals can be picked up at any site. You do not need to be enrolled at the school where you chose to pick up meals.
- If you have children 0-18 in several schools you may pick up all meals at one location.
- Meals will continue to be provided free under the USDA Federal program.
- Menus will continue to be posted on the school district website.

We are dedicated to serving our community the most nutritious and wholesome meals available. This school year is a new situation for all of us. Changes to our meal service may happen with little warning, but we will do our best to keep families informed about the changes in a timely manner.

Have questions or need more information?

Please contact us at Food@LansingSchools.net

Thank YOU for supporting our School Nutrition Program.

Curbside Food Location	Address	Days	Pick Up Time
