EAT SMART & ENJOY CAMPUS EVENTS

MINDFUL

In order to help our students make healthier selections, we have introduced Mindful by Sodexo to our daily offerings. Menu items focus on ingredients, delicious food, and satisfying portions so that a healthier lifestyle becomes an easy choice.

ELITE EVENTS

Dining halls are great, but every now and then we like to do something special. Elite Event pop-up restaurants transform dining locations into high-end restaurants serving a variety of cuisines. From steak to seafood to a create-your-own dessert bar, you'll love all of our Elite Event options. Check our website and social media pages for upcoming dates.

VEGETARIAN AND VEGAN OPTIONS

Georgia College Dining offers a variety of clearly labeled vegetarian and vegan options at multiple dining stations. From new twists on classic favorites to dishes custom-created by our chefs, vegetarian and vegan diners will find plenty of options to satisfy their appetites while also meeting their unique dietary needs.
