National Pretzel Day

April 19, 2018

National Pretzel Day was celebrated at both the MavAve and the University Dining Center during lunch! The Union Grill at the MavAve offered pretzels with topping choices including cheese sauce, jalapeno cheese sauce, melted white and milk chocolate, cinnamon and sugar, and chipotle ranch. The UDC offered a pretzel station at Creations with toppings including cinnamon and sugar cream cheese, caramel and sprinkles.

Students enjoyed having pretzels as a food option. "It's good, it needs to be a weekly dessert item!" said Lexis. "I liked the variety of toppings. My favorite topping is the cream cheese!" said Clare. The pretzel toppings offered a festive and sweet selection. "It was very tasty and unique!" said Parker.
