ORIENTATION DINING GUIDE

LEHIGH UNIVERSITY DINING
Welcome.

Our team works hard every day with a commitment to providing the Lehigh community with an extraordinary dining experience. We take pride in our ability to being forward thinking, innovative and dynamic.

We’ve carefully reviewed our program and have made significant updates that focus on the safety and well-being of our customers and staff. Our revamped operations minimize cross-contact, reduce crowds and expedite speed of service by utilizing mobile ordering, contactless payment and expanded take out.

While some of this will be new to all of us, the core of our program remains intact. Our professional culinary team will still produce meals that are consistently fresh, delicious and nutritious. We will continue to develop menus that include vegan and vegetarian options and cater to those with special dietary needs.

Our Registered Dietitian will remain a great resource to help students achieve personal goals or provide guidance for those with special diets. We will continue to offer free and confidential nutritional support and education throughout the year.

Lastly, we’ll continue to celebrate and engage with students through a variety special events, exclusive offers and promotions. We look forward to meeting and serving you this year.

Fall 2020 Orientation
Meal plans can be used at any of our dining locations with the exception of Market X. Students can access their meal plan using their Lehigh University ID card. A meal plan has three components (Meal Swipes, Dining Dollars and Meal Credits) that allow for maximum value and opportunity to enjoy all that Lehigh Dining has to offer.

**Meal Swipes**
Meal swipes are used at our all-you-care-to-eat student restaurants: Cort @ Lower UC, Rathbone, ASA & Brochead. One meal swipe per meal period allows students to dine in or take out.

**Dining Dollars**
This declining balance account can be used exclusively at all Lehigh University Dining locations, except Market X. Dining Dollars are non-refundable and carry over from Fall semester to Spring semester.

**Meal Credits**
A meal credit is cash value applied to food purchases at retail locations on campus. In exchange for a meal swipe, students receive credit toward the total cost of a retail purchase.
