

Delivering on Student Well-Being

Medford School District
Recipe for Success
September 2019

We started the school year with an opportunity to promote school lunch with *NewsWatch 12 In the Kitchen* Tuesdays and Thursdays in August and September. Check out the six episodes online for great back to school recipes that are inspired by and served on our School Menus. <https://www.kdrv.com/features/in-the-kitchen/>

Tasting tables have been held at two Elementary schools so far this year in conjunction with our Dietetic Intern. Students chose from a selection of Fresh local tomato varieties.

Salad bars offer the freshest produce from local farms

This fall we have continued to offer fresh fruits and vegetables from Fry Family Farms, Naumes Orchards, Valley View Orchards, and many more in the Valley and surrounding Oregon Locations. Pears, baby colored peppers, cherry tomatoes, peaches, nectarines, cucumbers, and apples have been gracing our salad bars.
