Discussion / Open & Closed Issue

- Chicken Nuggets during lent will be offered from March 23 – April 12 on Wednesdays. Students just need proper advance notice
- Food truck – can we consider moving it to the east side of campus? Response: we could, we just need WiFi, a secure place to store the cash box when not in use, and electrical connections. Steve: keep in mind that the reason

we have the Food Trucks at the North End was to replace the closure of that dining facility on the weekends. Marketplace is still open on the weekends. Colene: students can enjoy BOGO entrees at North End Dining every Friday night between a certain time frame.

- Laura: Health Expo April 15th 4pm-7pm River Rooms. How can we work together? Jonathan: we can liaise on that.
- Faculty/Staff meal cards – doesn't expire until the end of the summer. Kate will send out a follow up reminder.
- Spring Break Hours - Donnelly will be open over the break
