Mindful Update

We are committed to creating healthy environments for our guests. Central to this effort is providing healthy, nutritious foods. We’ve listened to our customers. We’ve researched marketplace trends. Our executive chefs and registered dietitians work together to create an exciting collection of recipes. The result is Mindful - an approach that focuses on transparency of ingredients, delicious food, satisfying portions and clarity in message so that making Mindful choices becomes second nature.

All foods served at this station are prepared exclusively with ingredients which do not contain the following food allergens.

- MILK
- EGGS
- WHEAT
- SOY
- SHELLFISH
- PEANUTS
- TREE NUTS
- GLUTEN

They are prepared in a facility which uses these ingredients in the production of other dishes. Although we take measures to ensure against this, the possibility of cross-contamination through contact with other foods does exist.
