Guest Count and Guarantee Policy

Your Catering Sales Coordinator will plan, purchase and bill for all guests you indicate will attend.

Our guarantee policy works as follows:

- Counts for all catered affairs are required one week in advance. Once received, the number will be considered a guarantee and not subject to reduction.
- Cancellations up to 14 days prior to an event are without charge. After 14 days, but prior to 48 hours the charge will be ½ the cost of the event. Cancellations within 48 hours prior to the event will result in a charge for the **entire** event.
- If your event does not meet the guest minimum for a particular menu, a 25% surcharge will be applied to the catering bill.
- A 25% late fee may be charged for any function booked within seven days of the event.

Please Note

- To ensure the success of your event, please inform your Catering Sales Coordinator of any special dietary requirements.
- In case of inclement weather, please discuss a secondary plan to avoid any unnecessary cancellation fees.
- Your Catering Coordinator can also provide you with our seasonal menu specials and barbecues.
- Catering Services reserves the right to substitute items in the event of product unavailability. We will make every attempt to inform you of this change as far in advance as possible.
