

# GRUBHUB®

## Why wait in long lines?

You can order and pay for your food in advance, and have it waiting for you when you arrive at an “Express Grubhub” pick-up line! Every University Dining eatery accepts Grubhub orders, and you can use your meal plan meals, Flex, EagleOne or credit cards for purchases! *\*Note: There is a \$.29 convenience fee for orders placed with the retail dining shoppes. There is no convenience fee for Top of the UC orders.*

## Helpful Tips:

- **To Access UMW Grubhub:** Sign into your Grubhub account, or download the app and create an account. Go to the gear icon and select “Campus Dining”. Choose UMW and then enter your method of payment information (meals, Eagle One or credit)
- **Placing Orders:** If you don’t have a campus meal plan, choose the regular menu offered at each location. Students with Meal Plans: Be sure to select the “meal plan”, “Meal Deal”, or “Single Swipe” menus to place your orders or you won’t be able to pay with your meals and/or Flex. Orders from retail dining shoppes are received and prepared in “real time”. You’ll get a text letting you know the status of your order and when it will be ready for pick up.
- **Top of the UC:** You’ll be able to place your order anytime between 10 am and 45 minutes prior to the close of the meal period, and you’ll select a specific pick-up time when placing your order. *Please note: You might get a prompt saying “your order will be ready in 3 minutes”. Disregard that prompt! It is something Grubhub is unable to remove from their system. Your order will be ready at the pick-up time you selected.*
- **Order Pick-Ups:** Every retail dining shoppe has an express Grubhub pick-up line. Just go to that line, give them your name, grab your food and go! For Top of the UC orders, go to the area marked “Grubhub” by the cashier station on the 4th floor of the UC. Your meal will be there ready for you to “grab and go” as well.
- **Discounts!** When placing your first campus Grubhub order, enter the code NOMS and you’ll get \$3 off any order of \$7 or more. Be sure to look for our periodic \$2 OFF Tuesdays, too. On those days you’ll get \$2 off any order when using our special codes! Announcements are sent out to everyone in the UMWFoodies group. To join, send keyword UMWFOODIES to 82257.

*\*Always check your order before leaving and let the server know if anything isn’t right or if anything is missing so they can fix it for you! If you got charged incorrectly at a retail dining location, see the manager of that location for assistance. If you got charged incorrectly for a Top of the UC order, contact Dining@UMW.edu or call the Marketing Office at 540-654-2169.*
