Religious Accommodations

We recognize that we have a diverse student population and aim to provide dietary options for a variety of religious practices. We have a certified Kosher Kitchen that is operated by Vermont Kosher, LLC, under the Orthodox Rabbinical supervision of the Chabad of Vermont. Kosher dinners are available Sunday-Thursday at Redstone Unlimited. Also, Kosher sandwiches, salads, and wraps are available for purchase at all of our retail locations.

If you are fasting as part of your religious practice, please refer to our website for hours of service. If you have questions or concerns please contact the Registered Dietitian at (802)656-3566.

FOOD INTOLERANCES & ALLERGIES

UVM Dining follows principles and guidelines from Food Allergy Research and Education (FARE). Our staff is trained on food allergies and how to avoid cross-contact in preparing food. However, this does not completely eliminate the risk of contact with gluten and other allergens in our dining locations. We recommend the following options as your safest dining choices on-campus:

MY ZONE

A gluten-free, peanut and tree nut-free area reserved for students with food allergies and other dietary needs. Located inside our four unlimited dining locations, the My Zone is a pantry for students to be involved in their own allergen-safe meal preparation. These areas are equipped with a designated microwave, refrigerator, toaster, gloves and allergen-free prep surfaces. Plus, there is a hot foods menu, made to order with comfort food classics. We ask the campus community to respect these spaces for those who truly need them.

FOUR

This station debuts in the fall of 2019 at Redstone Unlimited, located on Redstone Campus and at The Marketplace, inside the Davis Center. This station is free of gluten, peanuts, tree nuts and shellfish. At Redstone Unlimited place your order on a kiosk, enter in your pager number and, we'll buzz you when your meal is ready.

SIMPLE SERVINGS

Simple Servings is our allergen-safe, dining option for customers with food allergies, gluten intolerance, as well as those who prefer foods

made simply. The stations offer a plated meal prepared without the seven most common allergens: peanuts, tree nuts, shellfish, wheat, soy, milk products and eggs. In addition, all foods are made without gluten containing ingredients. Plus, separate equipment, storage spaces, utensils and preparation areas are used to minimize risk for cross contact. Simple Servings is located inside Central Campus Dining and Hillis Millis Dining.

FOR YOUR HEALTH

These colorful menu icons help customers select meals that cater to their dietary needs and personal preferences. Look for them on menus posted at your favorite dining location as well as, on our on-line menus. Visit UVMdining.com or UVM Dining Compass app to access our online menus, which include nutritional facts, allergens and logos. All of our dining locations offer a daily mix of vegan and vegetarian options.

MINDFUL

Is our healthy choice selection, indicated with a heart-shaped logo. Mindful balances nutrition with enticing flavors to create an indulgent way to enjoy a healthy lifestyle. Mindful meals encourage consumption of vegetables, whole grains and lean proteins meeting the following nutritional criteria:

- ≤600 calories or less
- ≤35% or less of total calories from fat
- ≤800 mg or less of sodium
